I am situated in the Shropshire village of St. Martins which is roughly half way between Wrexham & Oswestry, about 2 ½ miles off the main A5. The Postcode on most Sat Nav's will only bring you onto Mount Bradford Lane, so here's some help to find me.

**From M56/M53 Chester.** Take A55, then follow the signs for Wrexham on A483. Past Wrexham staying on A483 until it becomes the A5 (about 9 miles). There's a McDonalds on the Roundabout. Straight On, down a big incline and over a long river bridge to next roundabout. Turn left on B5070 for St Martins.

**From M6/M54 Wolverhampton.** On M6, take junction 10A M54. Continue on M54 until it becomes A5 at Shrewsbury. Continue on A5 to Oswestry and Mile Oak Roundabout. Turn right on A5. Straight across next 2 roundabouts and at the third roundabout (Gledrid Roundabout), turn right for St.Martins on B5070.

**B5070 to Me.** Once you are on the B5070, the road will run down a hill with a narrow bridge at the bottom which has priority arrows. Up the other side and you will start to come into the village of St. Martins. You will come to a sharp left hand bend with the **Secondary School** (1) on your left. Continue left and you will pass the **Petrol Station** (2) on your left and then the **Keys Pub** (3), again on your left. 400 yds on your left is **STANS SUPERSTORE** (4). A zebra crossing and then a mini roundabout. You are taking the 2<sup>nd</sup> exit signposted Ellesmere. You are now in Ellesmere Road. Continue down Ellesmere Road for about 1 (ish) miles, right to the end of the village. On your left is a White Cottage on the corner of Mount Bradford Lane (signposted). Turn left into Mount Bradford (5).

Once you have turned onto Mount Bradford, proceed up the lane with the Bungalows on your left as far as the Arrow. Then, on your left you will see a 'sneaky' little drive between two bungalows. This is my drive.

Pull down the drive and I am the first bungalow with the double garage.

If you get lost or have problems finding me, give me a call on 01691 778176 if I am expecting you and I'll 'talk you down'.
